

This letter is in response to the Commission's request, dated September 30, 2009, in regards to the Committee's 2009 August Monthly Report.

The receipts on Schedule A, supporting Line 11, that were from unregistered committees have been deemed permissible. These contributions were made by non federal candidates that had the required funds from federally permissible sources. Not only were the funds verified to have come from permissible sources, no amount exceeded \$1,000, thus not requiring the committees in question to register with the Commission.
